

## Bargain Basement — Make a play shop

Decide what kind of shop you would like to make.

### Here are some ideas

#### Clothes store

- Clothes, shoes, bags etc.
- Coat hangers
- Play money (you can make from foil and paper)
- A box to make scanner and cash register
- Calculator
- A place to 'try on' clothes
- Shopping bags

#### Service station

- Large box to make a petrol pump
- Play cars/bikes (either push cars or cars made out of boxes you can step into)
- A box to make a scanner and cash register
- Calculator
- Shopping bags

#### Supermarket

- Old boxes and tins
- Shopping bags
- Play money (you can make from foil and paper)
- A box to make a scanner and cash register
- Calculator
- Scales
- Play foods if you have them
- Shopping list and pencils

#### Additional ideas

- See if you can work out the change in your head
- Use a calculator to add up how much it will cost
- Make a suggestion of what else you can buy
- Make a catalogue or junk mail ad for your store
- Think of special offers your store might hav
